Honoring Human Life from conception to natural death

Greetings,

Yesterday many gathered and celebrated the 73rd National Day of Prayer. This significant day calls upon Americans to pause and “turn to God in prayer and meditation” and offer prayers for our nations, its states, counties, cities, and families. President Harry Truman first proclaimed a National Day of Prayer in 1952 that was originally held on July 4th.

The U.S. Congress under the leadership of President Ronald Reagan passed a resolution in 1988 proclaiming the first Thursday of May National Prayer Day. The National Day of Prayer website is already counting down for next year, Thursday, May 1, 2025!

We are reminded in The Word of God to: *Be Still* And know that I am God - Psalm 46:10

This outreach ministry is just that, where countless people come to our booth. Some out of curiosity, as many are drawn in with our life size banners depicting the stages of life, family pictures and reminding everyone that they are created by Divine Design, male and female.
