Honoring Human Life from conception to natural death

Greetings,

Daniel 2:21 **He** changes times and seasons; **he** deposes kings and raises up others. **He** gives wisdom to the wise and knowledge to the discerning.

Most recent events:

Washington Alliance For Life participated at the WWF (Puyallup fair) from Aug 30th to Sept 2nd.
Puyallup Tribal Labor Day Pow Wow – Aug 31st

By participating in various events Washington Alliance For Life seek to **Educate** men, women, teenagers and young children regarding 'The Sanctity of Human Life'. We offer life affirming Resource Brochures to help woman through their pregnancy. Resource brochures are available in English, Spanish and Russian and are available on our website. Also available at the events these age-appropriate brochures (toddlers to adults), and Resource Brochure for the Elderly and homeless population.

One of my most memorable conversations was at the Mosaic Arts & Culture Festival in Tacoma, Washington. A fairgoer told me as he was frantically looking for a picture of his new granddaughter, "I have always been pro-life. My daughter has not, then she had a baby girl, just look at her picture!" He was so proud of his little granddaughter. These stories resonate with all of our volunteers.

Early in the year Washington Alliance For Life received a generous donation. With that donation, a new tent was replaced, two table displays were purchased; Stages of fetal development and Stages of Life 12 to 26 weeks. My husband, Steve had talked to the donor and mentioned that on top of pocket New Testament Bibles generally given to the children, there was a need to have Larger Bibles containing both the Old & New Testament available to those that have a serious interest in digging deeper into the Word of God. Large, New Living Testaments were purchased.

Washington Alliance For Life is in the process of working on one more event in October,
Please pray for the peace of Jerusalem

For His Glory,

Teri Conover – 253-365-4058
